OFFICE NEWS

Saying, “So long and happy retirement”, to Deputy Director Scott Leonard

OPEN HOUSE:

April 2nd

2-4pm

Note from Scott:

“As I wind down my time with Delaware County Veteran Services, I am so grateful for the relationships that have sprouted from the work we do. From helping Russ, a WWII Army Veteran who went through the Battle of the Bulge and broke down in tears recounting the experience..to my friend Mac, a WWII/Korea Marine Vet who went through Chosin...to my friend Ken, a Special Forces Green Beret in Viet Nam...to my fellow Cold War Vets and all our Gulf War Vets- Thank you, for allowing us to help you! The memories I carry will always be dear to my heart and our relationships will always be a treasure to me, in this world and, I believe, in the next.”
